Summer Half Term Two, *A Midsummer Night's Dream*

Overarching Topic:			
<p>Why is this topic being studied at this time?</p> <p>How does it fit into the wider subject curriculum?</p>	<p>As their first taste of a Shakespeare text at Key Stage 3, students enter the magical world of <i>A Midsummer Night's Dream</i> to conclude their year of all things magical and mystical. Offering a basic introduction to the style and language of Shakespeare's plays, study of <i>A Midsummer Night's Dream</i> is all about reading Shakespeare for the sheer pleasure of its wonder, magic and colour. Who's who? What's it all about and why are magic, mistaken identity and mischief such an important feature of Shakespeare's comedies?</p> <p>We go beyond the requirements of the Key Stage 3 English curriculum to offer the reading of two full Shakespeare plays, in addition to Year 9's broader Shakespeare unit. This ties in with the aim of enjoying writings from the past and making connections about how they have shaped our present. The unit also provides an opportunity to 'love and remember' powerful words of poetry for life as we recite a section of verse from the play.</p>
