Welcome to Ravens Wood School!

It was brilliant to meet you all during the induction day and give you a flavour of life at Ravens Wood School Sixth Form. We hope that you thoroughly enjoyed your day and found your lessons engaging and interesting. Don't worry if you are now thinking of changing subjects, you can speak to the wonderful Mrs Williamson who can organise this for you.

Hopefully you had the opportunity to meet Mrs Williamson during the induction day. Mrs Williamson has worked at RWS for 7 years and has recently joined the Sixth Form Team. She will be available to help with your Sixth Form journey, whether that be the logistics behind your timetable; speaking to your parents/carers; or inspiring you to believe in yourself.

Make sure you check the bridging timetable on this bulletin, so that you know what days and times you are in next week. If you have any questions in the mean time, please contact: sixthform@rws.uk.net

Mr McCartney and Ms Hollingsworth

Pre-course tasks:

During induction lessons and bridging sessions, subject teachers will hand out the pre-course task booklets for you to complete over the summer. These are a requirement and you need to bring the completed packs to your first day at Sixth Form, ready to hand in.

If you change course or misplace your copy, electronic versions will be available on our website under the 'Post 16' tab.

Remember:

- To bring contactless payment so that you can purchase drinks and food in the Sixth Form refectory.
- To bring pens/paper with you so that you can actively engage in the lessons you have.
- To be prepared to leave at the end of the day with pre-course task material which you will need to complete over the summer.

SIXTH FORM

Preparing for Success
