Welcome to Ravens Wood School!

You have completed the first two stages of your induction into Ravens Wood School Sixth Form and we hope that you have gained a detailed understanding of what it will be like in Year 12. The final stage of your induction process, other than enrolling on the 22nd August, is the pre-course task. You will have been given these during Induction or Bridging and completion of these is a requirement of joining RWS Sixth Form. If you didn't collect this, or were unable to attend, they are on the website under the 'Post 16' tab. Please can you also take a moment to complete our Induction and Bridging feedback form; just scan the QR code below to access it [or click this link](#).

Some of you will already know Miss Burgess, but she is joining the Sixth Form team as the new Deputy Director of KS5. Miss Burgess is a Drama teacher and some of you may have had the pleasure of taking one of her Theatre Studies Induction or Bridging lessons. I know that Miss Burgess is very excited to work closely with you all as you continue your studies at Ravens Wood School.

If you have any questions that haven't been answered please contact us at sixthform@rws.uk.net
