19th November 2024

Dear Parent/Carer,

The first Year 12 assessment for all subjects will be held **W/C Monday 25th November**. The purpose of these PPEs (Pre-Public Examinations) is to assess knowledge, understanding and exam skills in line with exam board specifications.

It is important that students revise thoroughly for these exams in order to provide us with an accurate picture of their current performance and they will be able to compare their results with their MTGs (Minimum Target Grades). Early assessment provides us with the maximum opportunity to provide support and interventions for students who are not making the expected progress.

This series of assessments will take place in lessons and students will be informed during which lesson their assessments will be. This therefore means that lessons will run as normal next week. The duration of each assessment will be 45 minutes and students will have received some guidance from their subject teachers regarding the content of these exams but specific revision lists will not be provided. Your child should use independent study time to revise, work through these PLCs, review subject specifications and complete practice questions where possible.

Students should use the checklist below to support them with their preparation:

Is my attendance meeting the expectations set out by the Sixth Form team? (96%)

☐

Have I got a copy of the plc at the front of my folder? If not, do I know how to access this?

☐

Have I been using my PLC to RAG rate my understanding of different topics to guide my independent study/revision?

☐

Are the notes in my folder up to date and do I have corresponding homework tasks alongside these notes?

☐

Have I got evidence of reviewing and redrafting my work in green pen?

☐

Please do not hesitate to contact me if you have any further questions.

Yours sincerely,

Ms D Hollingsworth
Director of Key Stage 5
